

The Anti Discrimination Agency in Värmland (ADBiV) is run by Centre for Human Rights in Värmland (CMRiV), that is an independent, non-political and non-religious, non-profit association. ADBiV work to prevent and counteract all kinds of discrimination in society that has any connection to the 7 grounds for discrimination:

Ethnic belonging

Disabilities

Gender

Gender identity

Religion

Sexual orientation

Age

Individuals or groups who see themselves as discriminated, or those who have experienced harassment are welcome to contact us for advice and support. We also work preventively by teaching and informing about discrimination, values and prejudice. Those of us who work here have professional secrecy and will not pass any information further without your approval. All advice is free of charge.
